Event located at: Indiana Landmarks Center
1201 Central Avenue • Indianapolis, IN 46202

The Indiana Landmarks Center is a magnificently restored 1800's church. Its stained glass windows and original pipe organ make it the perfect backdrop for Grape Escape 2011: Music of the Night.

Proceeds from Grape Escape support the Jackson Center for Conductive Education. The goal of Conductive Education is to help children with motor disabilities achieve greater independence in daily living skills. The Jackson Center is the only Conductive Education program in Indiana.
